

Our Unique Labels

A woven label that includes a space to write the recipient's name is sewn onto each item. We've heard it time and time again, seeing their name on the label makes the gift even more meaningful to the new owner.

Care Instructions

Our lap blankets and prayer shawls are made with easy-care machine washable and dryable yarn. Please follow these instructions when caring for your Alice's Embrace items.

Machine wash separately with cool water on gentle cycle. Tumble dry low.

If you need to rewrite the name on the label, *do not* use a Sharpie; instead, please use a ballpoint pen.

Our Patterns

We have 32 patterns that our contributors use to knit and crochet these gifts. They are all named after stories about Alice. Sometimes the particular pattern is chosen because of the stitch detailing, and other times it is chosen because of the unique story behind its name.

Through the loving hands of many skilled and thoughtful people, this endeavor helps provide soothing comfort to the recipient at a time when they will truly benefit from a delightful one-of-a-kind gift.

Our Recipients

Words cannot truly describe the emotions that are experienced when a lovely Alice's Embrace blanket or shawl is given to its deserving new owner. Joy and peacefulness are just two of the expressions that are seen on the faces of the recipients after receiving one of our items.

Often, the feeling of soft yarn on their fingertips brings a sense of calm, and the fact that a kindhearted stranger did this just for them makes them feel special.
